Oaklawn 2024-2025 - Right Around the Corner!

Oaklawn's first Condition Book has been released. If you haven't received a copy it is available on-line at Oaklawn.com. Ten overnight stakes have been added to this meet's stakes program, each having a purse of \$145,000. Including those ten races, there will be a total of 57 stakes races during the 2024-2025 meet. Allowance purses will start at \$130,000 with Maiden purses at \$110,000.

The first Condition Book for the 2024-2025 meet covers the first thirteen days of racing, two of those days being in 2025. One restricted Arkansas-bred race is written for each day, three of those days are for 2 year olds. In addition to the races in the condition books, the racing office writes extras that are printed in the daily overnight sheets. These offer additional opportunities for your horses to be entered if the conditions are conducive for any of them.

ATBHA is again offering the Bonus Purse Supplement for the 2024-2025 Oaklawn live meet. This bonus is paid to the owner of registered Arkansas-breds who finish 1st, 2nd or 3rd in open company races (excluding stakes and handicaps). This program started in 2015 with ATBHA paying only \$12,000 that year, 2016 grew to \$50,000 and it's been increasing every year since. In 2022, the year December racing began, bonuses totaled \$71,000, followed by \$166,000 in 2023. \$135,000 was paid for Jan-May 2024 and will increase by the December bonus money that will be paid. This program has grown tremendously over the years. Why? Because Arkansas breeders are breeding and raising better Arkansas-breds that can hold their own against thoroughbreds from other areas of the United States.

Mares Bred Reports were due August 1st. If you are a stallion owner or breeding farm and have not yet filed yours, please file with The Jockey Club immediately and send a copy to ATBHA!

NOTICE TO BREEDERS of Arkansas-bred Foals

When registering your Arkansas-bred foals with ATBHA, please include The Jockey Club number in the appropriate blank on the ATBHA Application. If your foal has been reported on a Live Foal Report, that Jockey Club number is listed on that completed form. It is a seven digit number of which the first two numbers will be the year your foal is born, ie. 2024 foals will begin with 24 followed by five numbers issued by The Jockey Club.

So, when you submit a completed application to the ATBHA office to register your Arkansas-bred foal, the only blank that should not be filled in, most commonly, would be the blank for the foal's name. All other information is available and should be filled in.

BROODMARE REGISTRATIONS

Register broodmares immediately upon bringing them into Arkansas. Broodmares **MUST BE** registered PRIOR TO FOALING.

It is imperative that you register your FOALS with A.T.B.H.A. & The Jockey Club showing the Breeder(s) exactly the same on both registrations

When ATBHA receives The Jockey Club's information at the end of the year to calculate your Breeder award, their information needs to match the way the foal was registered with ATBHA so the award is paid correctly.

OBITUARIES

John H. Logan, 71, passed away on June 23, 2024, surrounded by family. He was born June 8, 1953, in Hot Springs, to Herschel and Patricia Logan. He is preceded in death by his parents; sister, Donna Trant; brother, John O'Dwyer; and nephew, Aaron Logan.

John is survived by his siblings, Nancy Muncrief, Bob and Mary Logan, Tony and Cathy Logan, Patrick and Pam Logan, Jamie and Mike Radimer, Andrew Logan; and many nephews, nieces, great-nephews and great-nieces.

John was affectionately known as John, Johnny, Scoot, Logan, Uncle John, Uncle J and most recently, Juncle John, which was his favorite. No matter what you had known him by, he was a treasure. Always good for a story from the past, especially if it had anything to do with horse racing which was his passion since high school. The majority of his adult life was spent in Chicago, living life by his terms, regardless of what anyone else thought. At times, we joked that his horses sometimes ate better than he did, but he was happy and content. He was kind, had a great sense of humor and loved his race track buddies like family.

He an exceptional talent working with leather. He made tack worn by some of the greatest - Curlin and Rachel Alexandra for starters.

John's love for thoroughbred horses and thoroughbred racing drew him to co-own several Arkansas-breds with friends, Joe McKellar, Matt White, and Steve Reppo, to name a few. Some of his most recent Arkansas-breds were Aunt Gayle, Music Mistress, Petula, Daigel, Marciamarciamarci, etc.

At John's request, there was a graveside memorial service in Calvary Cemetery, July 13. Our condolences are with John's family and friends.

Ray Shumake passed away Saturday, August 3, 2024 at his home in De Kalb, Texas. He was 86. Ray was born September 6, 1937 in De Kalb, Texas to William and Bessie Proctor Shumake. He was a Veteran of the United States Army and Army National Guard. Ray was a retired Roller Mill Operator for Lone Star Steel.

Ray was a long time member of ATBHA, a thoroughbred breeder, owner and trainer. He was active in the TX - LA - AR racing circuits. When his vision didn't allow him to drive any longer, he recruited his brother Boyd Wayne to drive his horse trailer and haul his horses to and from Hot Springs and the other Texas and Louisiana tracks to race. It was hard to keep him down. Eventually, his health declined to the point he was no longer able to do what he love - train and race thoroughbreds.

Ray never met a stranger and could talk to you forever; he was of the Baptist faith.

He was preceded in death by his parents; his wife Linda Bates Shumake; and one brother, Gay Shumake.

He is survived by three brothers and two sisters-in-law, Max Shumake of De Kalb, Texas, Boyd Wayne and Judy Shumake of Texarkana, Texas, and David and Nancy Shumake of De Kalb, Texas; one sister, Shirley Shumake of De Kalb, Texas; Godchildren, Joe, Charlie, Manuel, Marleigh, and many young men who worked for him; several nieces, nephews, cousins, other relatives and friends.

Services were Wednesday, August 7, 2024 at Bates Family Funeral Home in De Kalb; Interment followed at Woodmen Cemetery in De Kalb.

Memorials may be made to the Old De Kalb Cemetery, c/o 83 FM 44 E, De Kalb, TX 75559.

Our sincerest condolences are with Ray's sibling, his family and his many many friends. He will be missed greatly.

A Message from our President:

I was just looking at the Texas Yearling Sale on line and couldn't believe there are 32 Arkansas-bred yearling in their sale August 26th. I have seven of those in the sale. There 's usually five to ten more Arkansas-breds than that, but not 25! This sale is usually a fair sale for our price and market range. On the other end of horse auctions, the Saratoga Select Yearling Sale was held the past two days and it went really well. The median was up \$50,000 to \$425,000 and the average was up \$46,000 to \$533,000. Wow - I would like to have seen that sale live and those horses up close!

Well, it looks and feels like August now! We are starting to get a little brown grass, but it's been a good summer in our area of Arkansas so far, so I can't really complain.

I heard that Oaklawn will open their backside for horses October 25th. If the past follows suit, the track will open for training one week later, November 1st. That's just a couple of months away. It'll be on us before you know it.

Have a great rest of the summer and stay as cool as possible!

Bill McDowell, President

FROM THE ATBHA OFFICE

July was an abnormally busy month in our ATBHA office. We purchased a new computer, a new cellular telephone system (we do not yet have access to fiber optics), and switched to the on-line version of our bookkeeping system! I'm still learning!!! The last two saved us money. It wasn't planned for these to come at the same time, but that's how it happened! Our computer was over ten years old and too full of information!!! We don't have access to fiber optic lines, so our phone line was the old copper lines they are trying to phase out. If you don't switch to what they want they increase your monthly rates drastically. That's the situation we were in and by switching to cellular, we decreased our monthly bill for phone and internet by more than \$100 a month. Cost wise - switching was a no brainer! I just like to prop my phone on my shoulder so I have use of my hands and that doesn't work so well with these flat cellular phones. I may have to get an ear piece like the younger generation uses!!! We will see! Our QuickBooks was the desktop version that I loved and have worked on for 20++ years. They too are phasing out the desktop version and switching to on-line. Are desktop and on-line identical? ABSOLUTELY NOT. But I am determined to get just as proficient on the on-line version as I was on the desktop, it'll just take using it and time, but I am determined.

If you are in possession of an awards check that you have not cashed or deposited, please do one or the other so it will clear our Purse & Awards account. If your name was on one of the lists in the 2nd quarter newsletter and you haven't received your check(s), please let the ATBHA office know. We have quite a few checks outstanding!!!

When stamping the digital Jockey Club Certificates for 2023 foals, I found 19 foals registered with The Jockey Club that were foaled in Arkansas, but that were not registered with ATBHA. One of those is not eligible for registration. I contacted the Breeders on the remaining 18. Twelve have been recently registered, paying the yearling rate. Three are in suppose to be getting their applications to me. I am waiting for the remaining three to get back to me. If I don't hear from them soon, I'll try again. We don't know these foals even exist until their Jockey Club registrations are completed and the digital certificate is on line and available to be stamped with the State bred stamp. Don't be one of those that has to pay the late registration fees. It's pretty simple: \$40 weanling foal registration vs. \$200 yearling registration! If the foal's dam isn't registered, that's another \$500. All Arkansas registrations are due by December 31st of their foaling year. So, in December of each year, make it a habit to verify that all of your registrations are complete for that year, then you won't have to pay those higher fees. If you aren't sure, call the ATBHA office and we can look it up and let you know if it's complete or whether you still need to get it done!

Please fill out and return the Questionnaire to the right so we can update your membership information, even if you don't have a stallion or farm. We need to keep your mailing address, telephone number(s), email, etc. up to date so we can contact you if we find you have a missing registration that may cost you added fees if you don't act soon.
